Ref: **STIP AMENDMENT 04S-037**

The Siskiyou County Local Transportation Commission (Siskiyou County LTC) is requesting the California Transportation Commission (Commission) approve this State Transportation Improvement Program (STIP) amendment. This amendment was noticed at the April 2005 Commission meeting. This Action Item is proposed for the consent calendar at the May 2005 Commission meeting.

Siskiyou County LTC proposes to reprogram \$58,000 from the Regional Improvement Program (RIP) Transportation Enhancement (TE) Reserve (PPNO 2398) funds in FY 2006-07 to a new Collier Interpretive Information Center (CIIC) project (PPNO 2398A) in FY 2005-06.

RECOMMENDATION

The Department of Transportation (Department) recommends approval.

BACKGROUND

The CIIC opened to the public on June 1, 2003. The CIIC was constructed with TE funds; however, there were not enough funds available initially to cover the installation of the interpretive displays. The goal is to have the interpretive displays installed this summer. There are no Environmental, Right of Way, or Construction issues with this project. This amendment will program the CIIC project (PPNO 2398A) with \$58,000 from Siskiyou County's TE Reserve from FY 2006-07 as follows: \$24,000 for Design (PS&E) in FY 2005-06, and \$34,000 for Construction in FY 2005-06.

RESOLUTION

Resolved, that the California Transportation Commission revise the 2004 State Transportation Improvement Program at the end of the 30-day notice period as follows:
